## Summer Hire Program Goes Online

Students and eligible family members who want to participate in the Summer Hire program can now complete and submit their applications online in one easy step. No separate resume is required.

Submitting the online application, however, is only half of the process. Just as important is the prompt submission of the seven forms required to complete the in-processing packet. All are located on the Web site and are easy to download and print. Also, a copy of the applicant's ID card must be provided to establish eligibility. Participants must turn in the completed in-processing packet to their local Civilian Personnel Advisory Center within eight days of submitting the online application.

Both parents and participants are urged to review the Student/Sponsor Handbook section of the Web site. The handbook covers most frequently asked questions and provides a general overview of the program. For more info visit [www.chrma.hqusaareur.army.mil](http://www.chrma.hqusaareur.army.mil) and click on "Summer Hire 2003" or call Coralyne Michaelis at 421-2372/civ. 0711-729-2372.
